

**TACTICAL STB SET MC54B WHITE TIP / TACTICAL STF SET MC54F FIBER OPTIC**

Tactical sight set for assault rifle derived from the combination of sight **BAR11W** for Picatinny and of the support (also for Picatinny) for interchangeable sight **MC54** with white tip (**STB**) or with red fiber optic insert (**STF**).  
 The set pack includes an interchangeable sight hole for precision shooting with an aperture of 2 mm (**D7**) with additional sight hole with white tips and 5 mm aperture (**D2**) plus three sights (**MC54**) with height 6-7-8 mm for precise weapon calibration.
