TXT Series

Adjustable sights for S&W Revolvers
Mire regolabili per Revolvers S&W

🇬🇧 LPA TXT Competitive Series have been studied to improve the aim in the competitive shooting and to be harmoniously matched with S&W Revolver design.

🇮🇹 LPA TXT Competitive Series è stata studiata per migliorare la mira nel tiro competitivo e si fonde armoniosamente con l'estetica di un Revolver S&W.

🇬🇧 Overall height of the rear sight to replace has to be between 10-10,5 mm

🇮🇹 L'altezza totale della tacca di mira da sostituire deve essere compresa tra 10 e 10,5 mm

🇪🇸 La altura total del alza a sustituir debe estar comprendida entre 10-10,5 mm

🇫🇷 La hauteur totale du cran de mire à remplacer doit être comprise entre 10 - 10,5 mm

🇩🇪 Die Gesamthöhe der originalen, regulierbaren S&W-Standard Kimme des Revolvers muß zwischen 10 und 10.5 mm betragen

🇬🇧 The revolver has to be suitable to accept S&W scope (all new drilled and tapped frame)

🇮🇹 Il revolver deve essere predisposto per montare un cannocchiale S&W (tutti telai nuovi forati e filettati)

🇪🇸 El Revólver debe aceptar la mira óptica S&W (todos los nuevos marcos roscados y fresados)

🇫🇷 Le revolver doit être compatible avec la lunette de visée s&w (tous les nouveaux modèles avec carcasse fraisée et taraudée)

🇩🇪 Der Revolver muss in der Fabrik Konfiguration bereits mit drei sichtbaren Befestigungsbohrungen in der Rahmenbrücke ausgestattet sein

🇬🇧 After having disassembled the standard sight, the TXT has to be fitted on the gun by means of two screws supplied into the blister pack

🇮🇹 Dopo aver smontato la tacca di mira standard, fissare la TXT sul revolver per mezzo delle due viti fornite nel blister

🇪🇸 Una vez que se ha desensamblado la mira estándar, la versión TXT debe colocarse en el arma mediante dos tornillos suministrados en el blister

🇫🇷 Après avoir démonté la mire standard, le TXT doit être monté sur l'arme à l'aide de deux vis fournies dans l'emballage blister

🇩🇪 Wenn der Revolver die o.g. Merkmale besitzt, kann die TXT Kimme ohne Nacharbeiten montiert werden. Das Korn muss dabei nicht ausgetauscht werden
